PLEASE BRING THIS
CATALOG WITH YOU TO THE SALE

We Invite You To Our 25th Anniversary Sale . . .

Mr. Thos. E. Wilson, Mr. Edward Foss Wilson
(center) and his son, Edward Thomas Wilson.

Once again it is with much pleasure that we extend to all those interested in Shorthorn Cattle, a cordial invitation to Edellyn Farms on the occasion of our 19th Annual Auction and which this year marks our 25th Anniversary in breeding Shorthorn Cattle. It surely would be wonderful if all those who in the past, have purchased cattle from us, or who have animals in their herds that trace to Edellyn breeding, could gather here as a kind of Homecoming. What a grand lot of cattle would be represented. We are indeed proud of the record of performance made by these that owe their origin to Edellyn Farms.

Outstanding as the record of the past may have been, the use of Calrossie Mercury, Edellyn Command and Edellyn Royal Leader has injected into this herd the very blood lines that have produced the greatest cattle in Scotland and the Argentine, and the cattle in this sale will show that their influence here has produced the best and most uniform quality sale offering ever put together by an individual firm.

We are indeed proud to present this offering as the results of our 25 years in the business for we know that it is by all odds the very best. A careful study of the catalog will convince you that we are absolutely right and we most certainly hope that all of you interested in good Shorthorn Cattle will honor us with your presence so that you may observe them first hand.

Twenty-Five Years Of Progress

Twenty-five years does not seem a long time in retrospect but it has been long enough for Thos. E. Wilson and his well organized associates to have built at Edellyn Farms, one of the world's greatest herds of cattle.

Being a good executive, he surrounded himself with capable, efficient, loyal, intelligent men. The popular and universally admired grand old man of the industry, John Dickson, directed the affairs of the farm and herd from its beginning until illness prevented him from giving the energy and time that he knew was needed to keep Edellyn Farms' herd at the top. His passing two years ago was mourned by the entire Shorthorn industry.

On his retirement Jack Dickson chose as his successor Allan Atlason who, Jack knew, has the education, the experience, the native intelligence and the energy and determination needed to carry on this great institution.

Almost as soon as the first Shorthorn was installed at Edellyn, Harry Ackerman became a member of the organization. His patience, his careful attention to detail, his good judgment and his quiet good humor have won for him a high place in the estimation of those who have worked with him and of the entire Shorthorn fraternity.

The productions of this herd are so well known that it is unnecessary to recount them here. No other herd has produced as many International grand champions. No other herd has had the year's top average auction sale so often. None has had as many famous bulls at its head. None has sold more bulls that have improved other herds.

Down through the quarter century since the herd was founded, many great bulls have been in service. The greatest of these of course are Browndale Count, sire of three International grand champion bulls, and Calrossie Mercury (Imp.) a Perth supreme champion that is a son of a Perth supreme champion and that sired a Perth supreme champion. In recent years his sons bred at Edellyn have been in greatest demand and have been sold at higher prices than the sons of any other bull in America.

Now another sire has developed and has produced offspring old enough to show their worth. He is Edellyn Royal Leader, named for his famous ancestor Collynie Royal Leader. It is freely predicted that he will prove to be the greatest sire ever in service in the United States. His calves equal or excel the best ever produced at Edellyn and Edellyn is a leader among American herds. He seems to have more "friends" than any other bull and in fact he is "The All American Favorite."

With Edellyn's background and with its present superb productions, it is fitting that at the time of this Twenty-fifth Anniversary Sale, all of those who have bought breeding stock at Edellyn should accept that organization's invitation to make this a Homecoming event so that they can see the progress that has been made in the Shorthorn breed and get inspiration for the future.

EDELLYN MELROSE MERCURY

—Is out of the same dam as the \$4000 Edellyn Radiant Command that is siring such outstanding calves for Dillard Clark of Douglass, Kansas. A very deep bodied, thick fleshed bull, smooth and level thruout with a great hind end and a grand head. His dam is a tremendously thick fleshed cow, low to ground and a great producer. Note in the top 3 crosses, Collynie Royal Leader, Naemoor Jasper and Cupbearer of Collynie. It all adds up to a good herd bull prospect.

EDELLYN ROTHES MERCURY—

Is out of the same dam as Edellyn Graduate that has done such an excellent job at Benroth and Griffiths in Ohio. Here is a real chunk of a bull, thick, soggy, level with a grand hind quarter and a very good head. Out of a good red imported cow this bull will make a very impressive sire. Study the thickness of this fellow.

EDELLYN MORAY MERCURY—Is one of the top prospects for a breeding bull in this entire sale. This fellow is well balanced, very evenly made, deep, thick, has a lot of style and plenty of bone and substance and looks like a breeding bull. His dam was in our show herd as a calf and has developed into one of the lowest set, thickest made, cows on the farm. We rate this bull very highly and from his immediate background he should prove to be your kind of a bull.
